

Dear Dicientia,

Sometimes the departure of the people we care about becomes a reason for a celebration. Today we celebrate you; your accomplishments, legacy, success, the fulfillment of campaigns, and initiatives to make the world a better place. You find yourselves at the beginning of a defining moment in your lives, shining through, despite the condition we currently live in. We encourage you to respond to this crisis in a positive manner, make smart choices, choose to look forward and become the best version of yourselves. How you react to these challenges will define you, forever. In hard times like these, we learn that the impossible becomes possible. Continue to be part of the change, fight not only to survive but to thrive. You have made Dicientia a class full of musicians, athletes, leaders, artists, environmentalists, multi-faceted individuals. You have demonstrated your strength and we know you will shine in whatever path you choose.

Today we would like to thank you, our seniors, who we watched grow and continue to learn from. Don't forget this is not goodbye. We will always cherish the memories you leave behind. Dicientia, you will always be a part of the Ashton School.

In the name and on behalf of the junior class and the Ashton School Family we would like to wish you farewell and hope that you can mark the world with your unique selves and brilliant approaches. Your exceptional essence has made Dicientia become a class who has marked the Ashton School community in an astonishing way towards a reliable future for tomorrow's leaders. We as a class are grateful for having the time of meeting you all personally, despite the fact that for some we were mere acquaintances, please recognize that you will always be with us since you marked our lives in different ways to help us go onward. Never undervalue yourselves because each and every one of you has come so far, so don't slow down now because you have a long way to go. We wish you all success in the future and remember to live an amazing life and always accomplish greatness. Be a leader like you have shown us you can be. Follow your dreams wherever they may guide you, and always remember that the light you leave behind will be the path we aim to follow.

Thank you and good luck,  
Class of 2021
